Rev. Richard Rusk, Pastor

Chris Haring, PCL

Dear Parents and Guardians,

Due to the fact that we have food during Catechesis Assemblies, we need to be aware of any food allergies that your child may have. This will ensure that your child will remain healthy in the event of your absence.

We must have one form for each child on record. This is very important for the safety of your child and others.

Thank you for your attention to this matter.

Sincerely,

Mrs. Chris Haring
